

Florence - Rome

The Scent of the Green Heart.

Discover a new side of Italy with us: quiet, sometimes almost mystical! On this tour you will see cities like Assisi, Perugia, Spoleto or Narni, which have incredible art treasures and carry visitors back into the Middle Ages. The overall appearance of the cities has hardly changed and the landscapes are harmonious and inviting. On generally isolated roads, the tour takes you through the valleys of the Apennines, over the softly curved hills of Lake Trasimeno and through the solitude of small Umbrian villages. Raging rivers, fascinating gorges and the flocks of sheep roaming through the countryside shape this part of Italy. Going by bike is one of the best ways to explore this area. You can smell the sweet odors, rest in a tavern and fortify yourself for the next stages. We cannot guarantee it, but the probability is high that Italy will welcome you with sunny weather. At the end of your trip, the "Eternal City" of Rome will welcome you. There, you can enjoy the liveliness of the city and its people while drinking a cup of cappuccino or a glass of red wine. If you want to leave the stress of a hectic world completely behind you, then you will love this trip and keep lots of great memories from it.

With your bike you will cycle on beautiful trails through the vast plains of the Val di Chiana, constantly accompanied by hill and mountain silhouettes of the southern Tuscany. You will pass Cortona and you will finally get to Lake Trasimeno, the battlefield of Hannibal against the Romans. Moreover, you will have a gorgeous view of Lake Trasimeno. Tonight, you will spend the night in Passignano.

Perugia – Assisi

approx. 30 km

After having crossed the river Tiber, it is only a few kilometres by bike to the birthplace of St. Francis of Assisi. Tour character

You will cycle on a slightly hilly route during the whole tour; in between there are longer flat sections. You will find yourself almost exclusively on asphalt tracks and quiet side streets, partly also bad road conditions. Only very short sections are on busier roads, especially when entering or leaving cities.
