

# Munich lakes round trip

**Recharge your batteries in the south of Munich.**

Water gives strength, freshness and joie de vivre. The Munich lake tour leads past a different enchanting lake almost every day. Each one of them has its very own character. Sometimes mysteriously embedded in the forest, sometimes open, turquoise-blue and spacious: Find your own personal source of strength. Charming cities like Murnau, Wallgau and Bad Tölz lure you along the bike route for one or the other relaxed snack. Because if the Bavarians are known for something, then for their coziness. Snack breaks, which can also be a little heartier, are typically Bavarian and invite you to take a deep breath. The energy refueled under the white and blue flag will bring you full of energy back to Munich.

# Itinerary

DAY  
1

## Arrival in Munich

Welcome briefing and bike fitting. The capital city of Bavaria is awaiting you and invites you to visit its many attractions (English Garden, Town Hall, Hofbräuhaus,...)

DAY  
2

## Munich - Murnau am Staffelsee | approx. 65 km

From Munich, the tour starts with a bike ride through Forstenrieder Park to Lake Starnberg. Then you will cycle on the lakeside road to Seeshaupt. You will continue on wonderful ways through rustic Bavarian towns, past the Osterseen lakes and Lake Riegsee to Murnau am Staffelsee.

DAY  
3

## Murnau - Garmisch Partenkirchen | approx. 40 km

First, you will cycle through the nature reserve called Murnauer Moos (largest swamp area of Central Europe). Later, you will continue your tour through unspoiled nature following the River Loisach to Garmisch Partenkirchen. The stage is intentionally brief. Therefore, there is still enough time for an individual trip with the Zugspitzbahn, a mountain railway. At an altitude of 2962 meters, you will have a wonderful view of the Alps.

DAY  
4

## Garmisch Partenkirchen - Wallgau | approx. 20 - 70 km

By bike you cycle from Garmisch Partenkirchen via Klais to the beautiful Barmsee. Afterwards you have the option of cycling directly to your overnight accommodation or taking a detour via Mittenwald and Scharnitz to the source of Isar. A total of 300 metres in altitude are covered to Scharnitz, from there slightly uphill through wild and romantic gorges and lush alpine meadows to the source of the Isar. Afterwards, you will cycle back through a sunny valley where you will have a marvellous panoramic view of the mountains of Karwendel and Wettersteingebirge, passing Mittenwald and finally arriving in Wallgau – a place where the Bavarian tradition is still a part of everyday life.

DAY  
5**Wallgau - Bad Tölz** | approx. 50 km

Passing the Isarwinkel, you will follow the crystal-clear, turquoise waters of the impressive Lake Sylvenstein. Cycling through charming landscapes, you will pass Lenggries and finally arrive in Bad Tölz. The location at the crossroads of two trade routes—the River Isar and the old salt route from Reichenhall to Allgäu—quickly became a thriving trading centre. The ornate mansions testify the golden age.

---

DAY  
6**Bad Tölz - Tegernsee - Bad Tölz** | approx. 45 km

You will cycle through the scenic Tegernsee countryside to Gmund at Lake Tegernsee where you will have a beautiful panoramic view of the lake. Following the valley Gaißbach, you will come back to Bad Tölz. The Tölzer Market Street invites you to learn more about the famous television series "Der Bulle von Tölz".

---

DAY  
7**Bad Tölz - München** | approx. 60 km

The Isar bike path leads you from Bad Tölz over Geretsried and Wolfratshausen directly to Grünwald. After a few short climbs you will arrive back in Bavaria's state capital Munich, where you can explore its countless sights and attractions.

# Tour character

Overall, this is a rather easy tour. A few short climbs can be conquered easily by pushing the bike. You will cycle on beautiful bike paths and minor roads. Main roads will only be used for short distances. The route is mostly paved; some longer passages are on forest tracks, which are in good condition.
