# Itinerary

DAY  
1

## Arrival in Regensburg

Your journey begins in Regensburg, the northernmost point of the Danube. The city is considered the best-preserved German city and was declared a UNESCO World Heritage Site.

---

DAY  
2

## Regensburg - Straubing | approx. 50 km

You should take your first break of the day at the Walhalla Temple near Donaustauf. Your trip then continues on along the Danube which curves along the broad, flat landscape in generous meanders. You will pass Wörth Castle and find yourself in the middle of the so-called "Gäuboden" landscape. Today's destination is the town of Straubing, which looks back on a Celtic and Roman past and has a distinctive town tower.

---

DAY  
3

## Straubing - Deggendorf | approx. 40 km

Today you will firstly cycle through Bogen, which attained fame in 1104 when a statue of a pregnant Madonna was found. You will then continue on through Pfelling and Mariaposching and on to the Benedictine Abbey of Metten, before coming to Deggendorf, the gateway to the Bavarian Forest.

---

DAY  
4

## Deggendorf - Passau | approx. 60 km

In no time at all you will reach your destination, the three-river city and former diocesan town of Passau. Take time to discover the Danube, Inn and Ilz on a boat trip and round off your holiday with a stroll through the old town or a visit to the Feste Oberhaus Fortress.

---

DAY  
5

## Departure or extension

After breakfast you may return home or extend your stay. We are happy to extend your cycling holiday to Vienna.

---

# Tour character

To a large extent the route is flat and along asphalt paths, some parts of the path run along compressed earthen paths. Comfortable.
