

Highlights of Lake Constance

Mainau, Zeppelin and Mostindien.

You will have to look around hard to find another classic cycle path that is as popular as Lake Constance. Three countries participate in the large lake in the heart of Europe. Austria, Germany and Switzerland add a special flair to the lake. This unique symbiosis of various cultures contributed a number of precious treasures of art. To mention only a few of them: Cultural heritage Island Reichenau, baroque style pilgrims church Birnau or the historic old town of Stein on Rhine. Add the marvellous countryside along the lake and a cycle path winding the way through idyllic meadows, along glittering water and in front of the stunning peaks of the Alps.

Here the Council of Constance met from 1414 to 1418 in the Munster and the Council House under presiding Emperor Sigismund. The objective of the council was a thorough reform of the roman-catholic church. Very interesting are also the aquariums of Seal Life Centre and the archaeological museum.
