

Innsbruck - Venice

From "The Golden Roof" to Romeo & Juliette and the sea.

Following ancient trade routes, the bicycle route leads from the Tyrolean capital Innsbruck to the Festival City of Verona. Numerous old railroad tracks and dam pathways have been converted into modern cycle paths. Therefore, you can enjoy the impressive towns and mountain views almost without being disturbed by any traffic. The great cities of Brixen, Bolzano, and Trento provide some cultural highlights on the way! The landscape at the Brenner Pass at 1,370 meters of altitude appears almost alpine and in Brixen, orchards and vineyards dominate the natural scenery. At the Salurner Klause you will enter the "real" Italy with its Mediterranean flora and fauna. On this beautiful bike tour, you will always find a lot of variety - whether nature, culture, or cuisine, this tour has something to offer for everyone!

Itinerary

DAY
1

Arrival in Innsbruck

Welcome briefing and bike fitting. For the rest of the day, we recommend visiting Innsbruck's famous old town with its city tower and its "Golden Roof".

DAY
2

Innsbruck – Brixen

| approx. 50 km + transfer to the Brenner Pass

After breakfast, we will take you up to the Brenner Pass (by train or minibus). From the small border town Brenner you will cycle on a newly extended bike path, mostly along the river Eisack, first to the little village Gossensass and immediately afterwards to Sterzing, the once mighty city of the Fugger. You will continue your tour to Thumberg, to the beautiful Reifenstein Castle, and via Stilfes and Mittenwald to Franzensfeste with its famous fortress. The bike path continues to the beautiful and quiet Lake Varna, to Varna and finally to Brixen, today's destination.

DAY
3

Brixen – Bozen

| approx. 40 km

You will ride your bike through the Dürer town Klausen along the river Eisack to Waidbruck (view of Castle Trostburg). Here, the valley gets narrower and leads into the Bolzano basin. The city where two cultures meet is awaiting its visitors with many attractions (Archaeological Museum with Ötzi, the Iceman – free admission with BrixenCard on day of arrival).

DAY
4

Bolzano – Trento

| approx. 70 km

You will cycle mostly along the river Adige and partly through orchards to Salurn, where the German speaking South Tyrol ends. From here, you will continue to Trento with its interesting old town.

DAY
5**Trento – Ala/Rivalta** | approx. 45-60 km

The Adige valley is getting narrower and narrower and the mountain ranges on which for many centuries impressive castles guarded over one of the most important trade routes are coming closer and closer. We recommend a visit to Rovereto and the city of Mozart, Ala. Then you will continue your tour on the bike path to Rivalta.

DAY
6**Ala/Rivalta – Verona** | approx. 50-65 km

On the sixth day, you will cycle on the well-developed bike trail along the river Adige to Verona, with only a few stops.

DAY
7**Verona – Vicenza** | approx. 70 km

Today's route is initially flat and then you will cycle through the Monti Berici hills to the excursion area of Vicenza, with a beautiful view over the city. To make this longer stage a bit shorter, you can also travel the first part by train to San Bonifacio. In the old town of Vicenza you can feel the spirit of Palladio, the famous architect from the Middle Ages.

DAY
8**Vicenza – Abano Terme** | approx. 45-55 km

On leaving Vicenza, you will see numerous Venetian villas, such as the Villa Rotonda. The route along the river Bacchiglione leads to Abano Terme, one of the famous Italian spa towns. From Abano Terme, you can easily travel by bus to Padua, the city of St Anthony and the scholars. There you will have enough time to enjoy the thermal baths. If you are culturally-minded, you can enjoy Padua overnight for an additional charge.

DAY
9**Abano Terme – Venedig/Mestre** | approx. 40-50 km

With a light wind behind you most of the time, it's an easy ride towards the sea. The landscape is full of meadows and fields. This stage will take you to the mainland before Venice, with its excellent bus service into the city of lagoons.

Tour character

You will cycle on beautiful bike paths along the river valleys of Eisack and Adige. From Verona you will pedal mostly on side roads with little traffic. You will be taken up to the Brenner Pass from where the route will take you downhill 1,300 meters in altitude. There are only a few short climbs on Lake Caldaro and before Verona. If you prolong the tour to Venice, the only exhausting part is the Monte Berici before Vicenza (about 400 meters in altitude). This is a bike tour for everyone!
