

# Saarbrücken - Trier

## Saar and Moselle

You will discover a colorful mixed landscape along the Saar River. On all together 105 km the scenery changes from lovely forests to small villages and towns with French flair up to the urban surrounding of Saarbrücken. After the small valley around the Saar loop with its many forests you will end up with many vineyards in Trier. The urban ambience of Saarbrücken and Trier is pleasantly interrupted by the rural idyllic scene of the so-called "Merziger Äppelkischd". And a glass of local wine or cider might complete a day full of impressive moments!

# Itinerary

DAY  
1

## Arrival in Saarbrücken

You arrive into the capital of the Saarland. An early arrival is highly recommended: There are many sights and places to visit. The so-called St. Johanner market offers a lot of boutiques, pubs, bistros and restaurants. It is the heart of the city and gives you very quickly a holiday feeling. Your rental bikes will be delivered the next morning to your hotel.

---

DAY  
2

## Saarbrücken - Saarlouis | approx. 30 km

The Saar River will escort you out of the city. Soon you will reach a former coal mining. The so-called Völklinger Hütte nowadays belongs to the World heritage. Only a short distance and you will cycle into Saarlouis - in the past a well-known French fortress town. Take enough time for a comprehensive visit of the old part of this town.

---

DAY  
3

## Saarlouis - Mettlach | approx. 35 km

Today you cycle through the so-called Merziger country, in German often called „Äppelkischd“. In the region of Mettlach you will reach the Saar loop - for sure one of the most impressive landscapes of Germany. We recommend a short hike up on a small hill, which will be rewarded with an outstanding view into that amazing scenery!

---

DAY  
4

## Mettlach - Trier | approx. 40 km

Also today you will follow the shore of the River Saar which will lead you through lovely forests until you reach Saarburg with its majestic castle. The further you cycle, the more the landscape is changing: From forests into wine yards. In Konz the River Saar runs into the Moselle River. The latter one will escort you into Trier. There you will discover a lot of roman relicts.

DAY

# Tour character

Overall the quality of the paths is very good. Starting with Saarbrücken you mostly cycle close to the Saar River on own bike paths. The last part from Konz to Trier runs along the Moselle River, on an own bike path, too. The total distance is very well signposted.
