

# Bozen - Verona

## Along river Adige to Romeo & Juliet.

Nature or culture? How about the perfect combination of both? This bike tour from the capital of South Tyrol to the festival city of Verona takes you on a predominantly flat route along the Adige, through fertile orchards and past a unique mountain scenery to cities of timeless culture. Immerse yourself in an icy world that existed 5000 years ago in the "Ötzi" museum in Bolzano. Admire frescoes from the 13th to the 15th century in the cathedral in Trento. And start dreaming ... in the city where one of the most beautiful, tragic love stories of the world takes place: in Verona, the city of Romeo and Juliet.
