

Munich lakes round trip

Bavarian freedoms.

This version of the Munich Lakes Tour offers a lot of time for the attractions and scenic highlights of the tour. The extra night at the deep blue Lake Starnberg divides the first stage of the original tour into two pleasant tours. The two nights in Garmisch Partenkirchen give you plenty of time for a trip to the Mount Zugspitze with a fantastic view. If you have the time, you should definitely experience and enjoy the Bavarian hospitality on this marvellous biking trip!

Leisure Tour

10 Days / 9 Nights

Itinerary

DAY
1

Arrival in Munich

The capital city of Bavaria is awaiting you and invites you to visit its many attractions (English Garden, Town Hall, Hofbräuhaus,...)

DAY
2

Munich – Lake Starnberg | approx. 45-60 km

From Munich, the tour starts with a bike ride through Forstenrieder Park to Lake Starnberg. From Starnberg, you will continue your tour on the bike path next to the lake to Ambach or even further to Bernried. Enjoy some time at the lake with its crystal clear waters and wonderful views of the surrounding mountains.

DAY
3

Lake Starnberg – Murnau am Staffelsee | approx. 30 km

Today, you will cycle on scenic trails through unspoilt Bavarian villages, past the Osterseen lakes and Lake Riegsee to Murnau am Staffelsee. On the way, there are many lakes which invite you to swim. In Murnau not only the Mürterhaus is worth a visit. The connection between art and music in this town has always characterized the people and architecture.

DAY
4**Murnau – Garmisch Partenkirchen** | approx. 40 km

First, you will cycle through the nature reserve called Murnauer Moos (largest swamp area in Central Europe). Later, you will continue your tour through unspoilt nature following the river Loisach to Garmisch Partenkirchen. Take some time and stroll through the town centre with its world famous Ludwig Street (Ludwigstraße).

DAY
5**Garmisch Partenkirchen - Rest day**

Today you can take a ride on the cog railway up Germany's highest mountain, the Zugspitze. You are to organise this yourself if you want to do so.

DAY
6**Garmisch Partenkirchen – Wallgau** | approx. 20 - 70 km

By bike you cycle from Garmisch Partenkirchen via Klais to the beautiful Barmsee. Afterwards you have the option of cycling directly to your overnight accommodation or taking a detour via Mittenwald and Scharnitz to the source of Isar. A total of 300 metres in altitude are covered to Scharnitz, from there slightly uphill through wild and romantic gorges and lush alpine meadows to the source of the Isar. Afterwards, you will cycle back through a sunny valley where you will have a marvellous panoramic view of the mountains of Karwendel and Wettersteingebirge, passing Mittenwald and finally arriving in Wallgau – a place where the Bavarian tradition is still a part of everyday life.

DAY
7**Wallgau – Bad Tölz** | approx. 50 km

Passing the Isarwinkel, you will follow the crystal-clear, turquoise waters of the impressive Lake Sylvenstein. Cycling through charming landscapes, you will pass Lenggries and finally arrive in Bad Tölz. Bad Tölz is situated at the crossroads of two trade routes - the river Isar and the old salt route from Reichenhall to Allgäu - quickly became a thriving trading centre. The ornate mansions testify the golden age.

DAY
8**Bad Tölz – Tegernsee – Bad Tölz** | approx. 45 km

You will cycle through the scenic Tegernsee countryside to Gmund at Lake Tegernsee where you will have a beautiful panoramic view of the lake. Following the Gaißbach valley, you will come back to Bad Tölz. The thermal waters of the famous spa “Alpamare” will help you to refresh your tired muscles. The Tölzer Market Street invites you to learn more about the famous television series “Der Bulle von Tölz”.

DAY
9**Bad Tölz – Munich** | approx. 60 km

The Isar bike path leads you from Bad Tölz, via Geretsried and then to Grünwald. After a few short climbs you will arrive back in Bavaria’s state capital Munich, where you can explore its countless sights and attractions.

DAY
10**Departure or extension**

Tour character

Overall, this is a rather easy tour. A few short climbs can be conquered easily by pushing the bike. You will cycle on beautiful bike ways and minor roads. Main roads will only be used for short distances. The route is mostly paved; some longer passages are on natural roads which are in good condition.
